

Overview

MBR 65

Magnetic trestle

Product number 2410 0065

Description

MBR height-adjustable magnetic trestles are equipped with a powerful permanent magnetic base on one side. The other side is adjusted to the desired height via the solid, self-locking trapezoidal spindle. The MBR allows to adjust the required heights - from 82mm to 114mm. Additional adapter discs, which are simply screwed onto the system, can be used to extend the height (H) as required.

Product information

Dimension diameter (mm):	65
Dimension height (mm):	82-114
Holding force (N):	280
Weight (kg):	1,8
