

Overview

FXE-2400/100

FXE Electro-Permanent Lifting Magnets

Product number 10602403

Description

FXE electro-permanent lifting magnets are equipped with on-board control technology for direct connection to mains voltage - the fast, user-friendly plug & play solution for loads from light to super heavy.

Different pole types are available, depending on the material thickness and surface to be moved.

Product information

Dimensions (mm):	415x296x335
Flat material:	10mm
Product:	FXE
Temperature (°C):	80
max. load flat (kg):	2400
max. load from flat material:	35mm
maximum load (kg):	2400
